

Chairman Michael Powell - I am a 1985 Magna Cum Laude graduate of the Univ. of Maryland who majored in RADIO-TV-FILM. I am absolutely appalled with Sinclair Broadcasting refusing to give equal air time to the John Kerry campaign, and I DO NOT mean an interview situation controlled by Sinclair! I appeal to you as Chairman to rectify this unfair, biased action. I would appreciate your immediate action & a reply. Thank you for your prompt attention to uphold fairness and decency in broadcasting. Sincerely, Janet E. Brady
